

14.03.2022

1. Media Studies - University Diploma (6:6 months in and off campus training)
2. Summer Media and Music classes
3. A Software to unify all your schools and colleges - Smart Management

1. Diploma

- Bharathidasan University Certified
- More Practical & Less Theory
- Emphasis will be on **evangelization through media**
- Special training shall be given to maintain the website and social media platforms of the province.

More Details at www.dbmac.edu.in

2. Summer class: (Two Weeks-Two Batch From April 25th)

- Media – Photoshop, Premier Pro, Cubase, 2D, Basic Computers, Web Design
- Music – Keyboard, Guitar
- Residential facility available

3. School/College Software

All the schools have started engaging a company or individual for home works, SMS etc. We the Salesians have a great software that can manage

- SMS, Home Works, Online Class
- Fees and Finance management
- Asset management (All the things in the campus)
- Discipline Management (Attendance, remarks)
- Academic management (Exams, Results, Question Banks)
- As a leader you can have an over view of all the schools.
- Better data security. *(There is great risk in using an outside person or company. By this, Information will remain with in our circle and We assure confidentiality)*

4. **Book on St.Joseph** : Happy Feast of St.Joseph. I shall be couriering you a book 'A Father after the Fathers Heart'

5. **Vocation Promotion Video** : If you like to create a short video we shall help you. Put the one incharge in touch with us. The minimum need is 10 lines of script and a few inspiring photos and videos of your ministry.

Please feel free to reply me if you need more information on any of the above. You can also find details at www.dbmac.edu.in

Assuring you my prayers for an effective ministry
